

Allett Buffalo 24 Cylinder Mower

795.00 +VAT

? Allett Buffalo 24 Cylinder Mower A versatile, professional cylinder mower suited to groundsmen, greenkeepers, estate managers and landscape contractors who need a machine capable of handling both fine turf and longer, tougher grass. ? Key features ? 200mm (8in) cutting cylinder with 8 blades ? Adjustable cutting height, 10mm to 40mm ? 66 clips per metre, independent of walking speed ?? Copes well with long or wet grass ? Two configurations — front roller and grassbox for a striped lawn finish, or wheel kit with anti-scalp rollers for grass up to 200mm (8in) ?? Honda GX160 engine — low fuel use, low noise, low vibration ?? Anti-vibration handlebar mountings ?? Handle-mounted cylinder engagement via twin V-belts ? 3-piece rubber-covered rear roller with steel spur gear differential ? Moulded plastic grassbox with steel reinforcing strip ?? Weighs 122kg Used across a range of settings, from parks and estates to sports pitches and paddocks, where a consistent finish is needed across varying grass conditions. £795.00 plus vat Delivery Available
