

DENNIS S560 – PRECISION CYLINDER MOWER

795.00 +VAT

DENNIS S560 – PRECISION CYLINDER MOWER The professional's choice for a flawless, striped finish.

Built in Britain for greenkeepers, groundsman and professionals who demand perfection on fine turf. ?

FEATURES & BENEFITS ? 11-bladed British-made cutting cylinder – relief ground for an ultra-fine, precise cut and longer intervals between grinds ? 560mm (22") cutting width – makes light work of greens, tees, cricket squares, bowling greens and ornamental lawns ? Ultra-short wheelbase – follows undulating ground with ease, ideal for tricky contours ?? Independent cutter and roller clutches – smooth, heavy-duty take-up with no jerky starts ?? Tool-free click height adjusters – change cutting height in seconds, no spanners needed ? Tungsten-tipped groomer (Ultra model) – lifts lateral growth and clears thatch for a healthier, cleaner sward ? Reliable Honda engine with Q9 low noise, low vibration technology – easy starting and a comfortable day's work ?? Easy pull-back design – for perfectly aligned next runs and crisp stripes every time ? Trusted on the finest surfaces in the country – golf greens, cricket pitches, bowling greens, croquet lawns and tennis courts Good Running Order £795.00 plus vat Delivery Available
