

Iseki SXG326+ Diesel Ride on Mower

12995.00 +VAT

Iseki SXG326+ Diesel Ride on Mower !!!! ONLY 53 HRS From NEW !!! 2021 year of build 21hp Diesel engine Hydrostatic transmission Power steering Hydraulic high tipping collector 650ltr capacity collector Gear driven deck with NO belts 54" cutting width Simple dial height adjustment With exceptionally low hours from new of just 53, this 2021 build year machine is offered in excellent condition. Fitted with the larger 21hp diesel engine and 54" cutting width deck which has NO belts and is gear driven it will tackle and collect effectively in the most challenging of conditions. Simple and easy to use with twin pedal hydrostatic transmission for effortless speed control. A simple dial to change the cutting height without the need to change spacers or pins etc all done from the operators seat. The large capacity, high lift collector has a capacity of upto 650 ltrs and allows the cuttings to be tipped direct into a trailer rather than a heap on the ground. A handy buzzer indicates when the collector is full and this can also be adjusted. Excellent Condition £12995.00 plus vat Delivery Available Finance Available
